

REINSTATEMENT OF A REFUND REQUEST FOR COST

PERSON ID
Workers' Compensation Board Superannuation Plan PO Box 9460 Victoria BC V8W 9V8 Location 2995 Jutland Road, Victoria

INFORMATION AND INSTRUCTIONS:

- You may be able to increase your future pension benefit by reinstating a refund. If you withdrew your pension contributions from the Workers' Compensation Board Superannuation Plan after a previous period of employment with WorkSafeBC, you may be able to reinstate your pensionable service by repaying those funds, plus interest.
- Your eligibility for reinstatement is based partly on when your refunded service occurred. For additional information refer to the reinstatement fact sheet available on the website, or contact the pension plan.
- Return this form to the pension plan with copies of supporting documentation (T4A, pay stubs, Income T4, Canada Pension Plan statement) from the year in which you took the refund, if available.
- If you are providing details of more than four refunds, you may wish to photocopy this page before you complete it, or you can provide the same information on a separate piece of paper.
- Do not send your payment at this time. The pension plan will send you a statement of cost which will indicate when your payment is due.
